

## Hester Pharmaceuticals to manufacture poultry vaccines

**H**ESTER PHARMACEUTICALS LTD., a company promoted by first generation professionals, is setting up a Rs. 5.04 crore project to manufacture poultry vaccines. The unit will be located at Ahmedabad.

Headed by managing director Mr. Rajiv Gandhi and his brother Mr. Sanjiv Gandhi, both of whom having vast experience in the marketing and distribution of veterinary products, the company has ente-

red into a strategic alliance with Ghen Corporation (Japan) and its subsidiary Maine Biological Laboratories (United States). The unit will have an installed capacity of 395 million doses of live and killed vaccines.

The total cost of the project is estimated at Rs. 5 crore. Civil construction of the factory building has commenced. The company expects to start commercial production by October '94.
